Civil Action No. 19-345 (CKK)

et al.,

Defendants.

NOTICE OF PROOF OF SERVICE

NOW COMES the plaintiff Clifton David Sims, by and through his undersigned counsel, to notify this Court that service has been executed upon the U.S. Attorney's Office for the District of Columbia ("USADC"), as well as the U.S. Attorney General's Office ("USAG").

This action was initiated on February 11, 2019, and the undersigned mailed off the Summons for both the USADC and the USAG on February 12, 2019, via United States Postal Service ("USPS") first-class certified mail. For reasons that remain unclear, the USPS tracking system has no record of the Summons beyond their departure on February 13, 2019, from a regional distribution center. Efforts by the undersigned to coordinate with the USPS and determine what occurred did not lead to any additional information.

Government counsel, however, was able to confirm this morning that the USADC was served on February 25, 2019. Government counsel also confirmed that the USAG has been properly served as well. The undersigned appreciate Government counsel's efforts to

remedy the confusion caused by the USPS tracking glitch.

Date: March 11, 2019

Respectfully submitted,
